

Uni-Trap

flexible waste trap system

WATERTEC

Simply Better

New flexible waste trap system for easier & quicker installation

Can be folded to form S-trap or P-trap to suit requirements

Flexible enough to allow installation on misaligned outlet hole

BEFORE

- Too many parts
- Fixed inlet & outlet position
- Difficult to install
- Joint at the center of the trap, higher risk of leakage.

NOW

- Less parts, no joint on the trap, no leakage.

EASY TO MAINTAIN

Maintenance is easy. Simply pull out the waste outlet and flush with running water to clear all clogging.

Available in 4 configurations

Uni-Trap Basin 1 1/4in A01 Wtc

Uni-Trap Basin 1 1/4in B10 Wtc

Uni-Trap Sink 1 1/2in A01 Wtc

Uni-Trap Sink 1 1/2in B10 Wtc
